ABOUT US

Proud of our history, excited for our future.

Serving Australia for 30+ years, Wynns Locksmiths has built a reputation on core values of:

Reliability • Integrity • Professional Service

Our services cover:

- Advanced lock and security system survey and design
- Supply, repair, installation, and support of locks and hardware
- Across commercial, residential, and automotive sectors

A unified team of experts, including locksmiths, architectural hardware specialists, and automotive lock professionals, ensures a comprehensive service.

We provide top-tier security products at competitive rates, prioritizing client safety.

Our commitment to excellence shines through:

- Prompt and efficient service
- Competitive offerings
- Upholding values of integrity and professionalism.

Our Mission

Honouring our well-established position in the industry, our aim is to provide the best locksmith services to our customers.

We will do this with integrity; by employing honest, dedicated and skilled people; supplying quality products sourced locally and internationally, and developing a sustainable and profitable business.

Elevating Security, Embracing Sustainability

Wynns Locksmiths is committed to a sustainable future.

We're partnering with RACV Solar to bring solar panels to our branches, powering our operations and Tesla vehicles with 100% renewable energy.

Our aim: a fully electric fleet by 2030.

MASTER KEY SYSTEMS

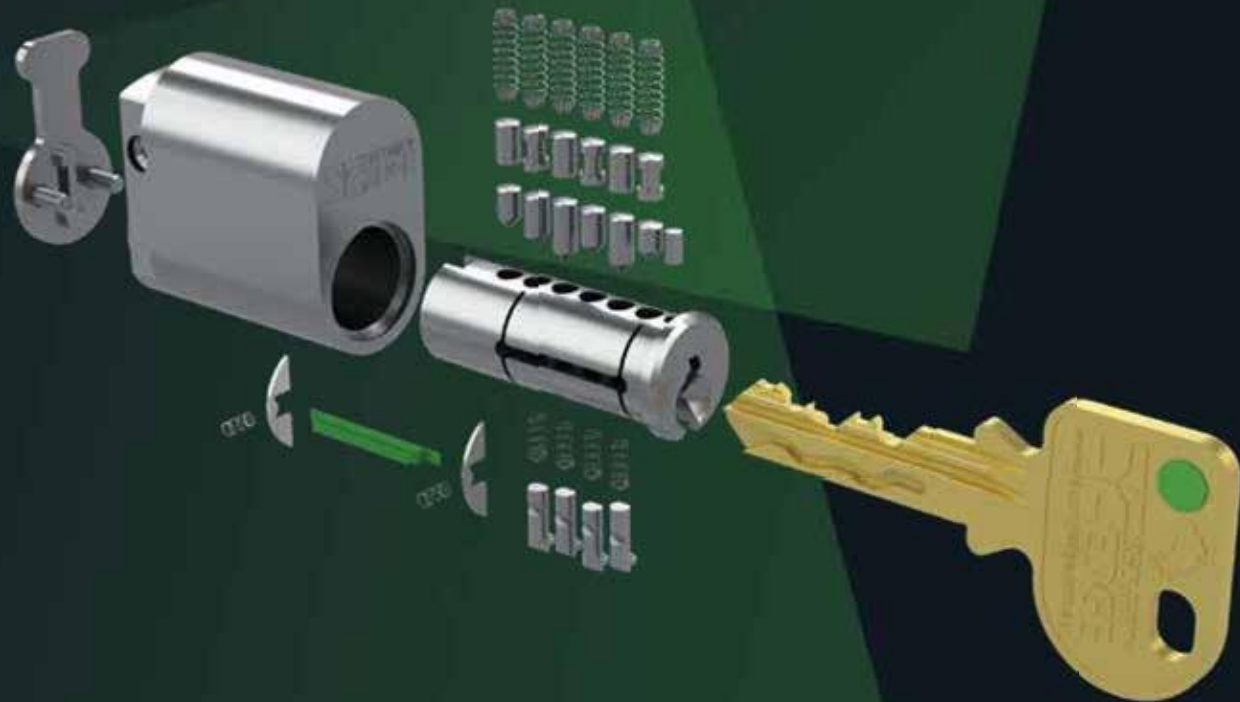

Security Edge is a high security master key system designed to keep you secure for years to come.

As locksmith professionals, we know the value of safety and security.

From a single building to a complex multi-site operation, Security Edge systems can be tailored to suit all types of infrastructure. It's flexibility and compatibility make it the #1 choice for an optimal keying system to protect residential, commercial, and industrial sites.

Working with security products and knowing what was available on the Australian market led to the creation of Security Edge.

There was a desire for an optimal registered key system that would keep customers protected not only today but for years to come. Security Edge is the combination of multiple key profile systems to create a high quality and versatile restricted master key system.

Designed by professional locksmiths.SC

- SCB Pick resistant
- SCB Bump resistant
- SCB Drill resistant
- SCB Strong 2.3mm nickel silver keys
- DB Durable cylinder - 114286 cycles

Holistic Approach: We offer a complete spectrum of commercial security services, encompassing locksmithing and state-of-the-art alarm systems.

Customised Solutions: From single shop fronts to expansive corporate setups, our tailored security strategies address the unique needs of businesses of all sizes.

Advanced Alarm Systems: Our expertise extends to designing, supplying, and installing commercial security alarm systems that are at the forefront of technology.

Commercial Locksmithing: Backed by years of experience, we ensure high-quality locksmith services using durable hardware for increased longevity.

Affordable Excellence: We prioritise quality while maintaining cost-effectiveness, delivering top-notch security solutions at competitive prices.

We deliver commercial security that integrates cutting-edge technology, meticulous craftsmanship, and personalised strategies.

Experience Comprehensive Business Security with Wynns Locksmiths.

INDUSTRIAL

In the dynamic world of industries, security is paramount to safeguarding your assets and operations. With an extensive track record, Wynns Locksmiths emerges as the guardian of your industrial realm, supplying and implementing robust solutions to ensure your work sites remain secure and fully operational, no matter the circumstances.

Our Distinctive Edge:

Expertise in Complexity: Industrial locksmith challenges demand a high level of expertise. Our accomplished team takes pride in mastering intricate solutions, striving to deliver optimal industrial locksmith services.

Tailored Protection: Our skilled professionals can assess, design, and seamlessly implement a security system tailored to shield your site from potential threats.

Industrial-Grade Fabrications: Wynns Locksmiths excels in crafting custom solutions, precisely catering to individual project needs. Our industrial-grade products are built tough, offering durability with minimal upkeep.

Top-tier Security Profiles: Leveraging elite security profiles like Security Edge, Abloy Protec, Protec 2, Twin, and EVVA, we ensure every aspect of our work is fortified to the highest security standards.

Compliance and Assurance: We've undertaken comprehensive inductions, remain up-to-date with protocols, and hold full insurance coverage for Public Liability and Work Safe, underscoring our commitment to safety and compliance.

Authorised distributors of cutting-edge solutions for:

RESIDENTIAL

Wynns Locksmiths provides prompt, efficient, and unwaveringly reliable residential locksmith services across Melbourne, available 24/7. With a legacy spanning over a quarter-century, we stand as a beacon of trust for the local community.

Our Commitment to Your Security:

Comprehensive Solutions: Experience a comprehensive suite of systems and services meticulously designed to fortify your home security.

Our cutting-edge CCTV solutions and state-of-the-art Safes stand guard, reinforcing the protective shield around your residence.

Responsive Expertise: Our agile mobile response team remains at your service round-the-clock, 7 days a week.

Equipped with the latest advancements in technology, we stand resolute in upholding the sanctity of your property.

Aesthetics and Functionality: Our product range reflects the pinnacle of state-of-the-art technology. Melding aesthetics and functionality, we deliver fixtures that not only safeguard but also harmonize seamlessly with your home's design.

Empowering Recommendations: Our knowledgeable team is your guiding light in navigating the complex landscape of home security.

We offer qualified recommendations, tailoring solutions to your unique needs.

Wynns Locksmiths - blending technology, expertise, and a friendly touch to elevate your security experience.

ARCHITECTURAL

Our distinguished door scheduling service stands as a beacon of precision, ensuring that your architectural locksmith requirements are met with unwavering expertise.

Your Partner in Security Excellence:

Tailored Solutions: With a deep understanding of industry standards and government regulations, we expertly guide you in selecting the perfect products that align with your unique security needs.

Unveiling Industry Codes: We navigate the intricate landscape of hardware compliance, meticulously adhering to the latest industry standards and government codes to ensure seamless functionality, handling, and operation of the recommended hardware.

Sanitary Hardware Mastery: From domestic to commercial realms, we extend our expertise to provide sanitary hardware solutions that meet the highest standards of hygiene. Brands such as Metlam, JD McDonald, Bobrick, Bradley, Kimberly Clarke, Pittella, and more grace our portfolio.

Holistic Collaboration: Working in synergy with all project stakeholders, we provide a holistic architectural solution that befits the context and purpose. Our seasoned architectural team thrives on delivering even the most intricate projects with finesse.

Powerhouse of Leading Brands:

As authorised distributors of esteemed manufacturers, we proudly offer a spectrum of brands, including but not limited to:

ELECTRONIC SECURITY

At Wynns, we're dedicated to delivering the pinnacle of security through our Electronic Security Systems:

Constant Technological Innovation: Our commitment drives us to remain at the forefront of technology, ensuring the best solution for each customer, whether it's complex or basic.

Personalised Approach: Through transparent consultations between our seasoned technicians and clients, we craft a system that aligns perfectly with security needs and budget.

Wide Range of Components: Encompassing CCTV, Alarms, Intercoms, and Access Control, our systems are tailored to suit every facet of security.

Unlock the Power of Access Control: From cameras to intercoms, alarms to keypad or swipe entry systems, our Access Control solutions restrict and manage access, safeguarding your spaces.

Experience Excellence: With Wynns, you're not just investing in security systems; you're investing in the peace of mind that comes with having a dedicated partner.

Our commitment to cutting-edge technology and personal consultations ensures your safety remains our top priority.

We are authorised distributors of:

AUTOMOTIVE

When it comes to vehicles, we excel in precision. Our experienced technicians specialise in vehicle entry for a diverse range of automobiles, motorcycles, trucks, and more.

Our expertise extends beyond mere key cutting; we provide tailored solutions for your trunk, glove compartments, and ignition.

At Wynns Locksmiths, we understand the urgency of getting back on the road. Our efficient services ensure minimal downtime.

Equipped with state-of-the-art electronic machinery, we cut keys with precision, speed, and quality. Your automotive key will be ready in no time, maintaining the highest level of security.

Our commitment to quality and customer satisfaction is unwavering. Melbourne's most competitive prices coupled with our quick turnaround time set us apart.

At Wynns Locksmiths - speed, precision, and affordability come together seamlessly.

We offer professional expertise in creating and programming replacement or spare transponder keys for your vehicle.

Our commitment to quality shines through in our use of the highest-grade transponder keys and chips.

Leveraging cutting-edge electronic machinery, our key cutting is precise, and our programming ensures 100% secure copying, safeguarding your valuable investment.
