Insights from the Recruitment Experiences and Outlook Survey

Tasmania

Information on this page is based on the Recruitment Experiences and Outlook Survey, which is an ongoing survey of employers across Australia run by JSA. The survey collects insights on a range of topics, including recruitment activity, recruitment difficulty and employers' future staffing expectations. Data are for the year to August 2024, unless otherwise indicated.

Recruitment activity and experiences

In Tasmania, there were 1,082 responding employers in the 12 months to August 2024, of whom 46% were recruiting or had recruited over the past month. Of these recruiting businesses, 49% had difficulty recruiting. By comparison, 47% of employers were recruiting in Australia over the same period, of whom 54% had difficulty recruiting.

Employers in Tasmania were most likely to report the following reasons for recruitment difficulty:

- · Lack of suitable applicants
- · Undesirable working conditions/hours
- · Lack of applicants
- Applicants lack experience.

A chart showing reasons for recruitment for Tasmania and Australia is included to the right.

Note: employers can select multiple reasons for recruitment difficulty.

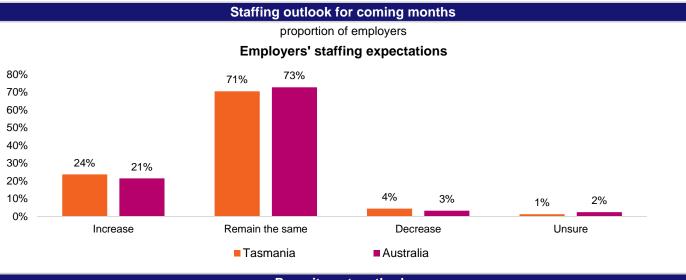

Reasons for recruitment

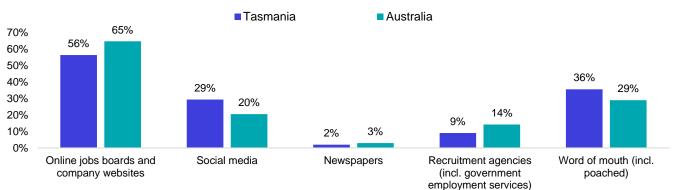

Newly created positions only

Both newly created positions and turnover

Positions due to turnover only

Recruitment methods proportion of employers who were recruiting

Note: employers can select multiple methods of recruitment.

Due to small sample sizes for data for the territories, caution should be exercised interpreting these results. Weighted data are used for Tasmania and Australia. Number of responses for each item varies depending on whether employers recruited or not. Reasons for recruitment difficulty data are only available for employers who have completed recruitment.

Hobart and Southern Tasmania
