Insights from the Recruitment Experiences and Outlook Survey

Murray and South East

Information on this page is based on the Recruitment Experiences and Outlook Survey, which is an ongoing survey of employers across Australia run by JSA. The survey collects insights on a range of topics, including recruitment activity, recruitment difficulty and employers' future staffing expectations. Data are for the year to August 2024, unless otherwise indicated.

Recruitment activity and experiences

In Murray and South East, there were 287 responding employers in the 12 months to August 2024, of whom 43% were recruiting or had recruited in the past month. Of these recruiting businesses, 53% had difficulty recruiting. By comparison, 46% of employers were recruiting in Rest of SA over the same period, of whom 53% had difficulty recruiting.

Employers in Murray and South East were most likely to report the following reasons for recruitment difficulty:

- Location, eg remote or regional
- Undesirable working conditions/hours
- Lack of suitable applicants
- Applicants lack technical skills.

A chart showing reasons for recruitment for Murray and South East and Rest of SA is included to the right.
